GAME DAY!

FUN AND EXCITEMENT IN 4 QUARTERS

It's a special day! Our favorite team is playing to win, and we can't miss a second of it! We need to make sure everything is all set before the game starts.

An afternoon family fun with lots of flavor, while still being practical and easy. We suggest a finger food menu, with a surprising twist, and of course, with the full flavor of Olive Oil from Spain.

1ST QUARTER IBERIAN HAM CROQUETTES

There's no better strategy than an element of surprise. We've swapped the traditional chicken wings for a classic Spanish tapa - ham croquettes. Delicious and easy to eat, they won't last through the first quarter.

2ND QUARTER SPANISH POTATO OMELETTE

A unique dish that everyone loves, it's the star player at the center of the table. Ideal for sharing, this recipe is easy to make and goes a long way. It's perfect if your family team has a lot of players.

The clock is running out and we've only got time for a master play - it's quick and light.
